

Dear Brothers and Sisters in Carmel

We want to share our Carmelite Treasure, which was the life of our Secular Carmelite Sister, the Servant of God Cunegonde Siwiec – a candidate for the altars. We pass on to you some information about her life and her friendship with Jesus Christ.

We also have a diary of her conversations with Jesus written by Cunegonde's confessor, and a biopic. We will be very happy to share both of the works. At the moment they are only available in Polish. It will be our privilege to make the materials accessible to you so that they will be translated into other languages.

With the gift of prayer

Slawomir Kruk OCDS
